

FreeAgent™

Easily store and automatically copy your content for safekeeping and quick access.

Computers come and go, but your content should always be nearby. With up to 1000 glorious gigabytes, the FreeAgent external hard drive is the best place to gather and access all of your important photos, movies, music, games and documents. Simply plug in the power and the USB cable and you're ready to go.

Designed to live peacefully in your home or office, the FreeAgent external hard drive is extra quiet and takes up less room on your desk than a stapler. Even the cable ports are base-mounted to help keep your desk free of clutter. We even add a little bit of sophistication to your desktop with the unique espresso brown finish and molten amber illumination.

To eliminate the slightest bit of worry, we've even included technical support and a five-year limited warranty.

FreeAgent — because your digital content should always be nearby.

HIGHLIGHTS

- Up to 1000 glorious gigabytes
- Footprint is no bigger than a stapler
- 5-year limited warranty
- Just plug it in and you're ready to go
- USB 2.0 interface
- PC and Mac compatible

FreeAgent™

Ideal for Easily storing and automatically copying your content for safekeeping and quick access.
